Subject: Incinerator Update

Categories: Pogo FOIA

Hi Heather. I tried calling you yesterday to give you an update on the incinerator. I wasn't able to leave a voice mail. But I was able to talk with Zach. Please give me a call back before next Thursday if you have time for an update.

I also wanted to let you know that effective July 31, 2014 I am retiring from my position at Pogo. Until I am replaced, Mr. Chris Kennedy is managing the environmental department. He can be reached at 907-895-2834 or Chris.Kennedy@smmpogo.com.

Your primary contact for this project will be Mr. Ben Farnham, Environmental Engineer. He can be reached at 907-895-2730 or Ben.Farnham@smmpogo.com.
